---------------------------------------	-------------------------------	--	---

- Dry Creek Vineyard was the first to coin the term “Old Vine” in 1987 for wines made from pre-Prohibition vines.
- Produced from historic, dry-farmed vines averaging more than 100+ years in age, resulting in more intense flavors.
- Packaging honors the iconic nature of the old vines and details winemaking and geography.
- Patented cork closure is laser-printed with data such as the age of the cork forest, harvest date of the trees and sustainable habitat information.
